

**True Story of the Whole World --- mid-course feedback**

*We are a little over ½ way through our curriculum. Your feedback will be helpful in maximizing our remaining class time together. Please be as specific as possible. Kindly return this form to the church office by Easter Sunday (March 27). If you would like, you may e-mail your answers but please correlate clearly to the questions. You are welcome to sign your name, but that isn't required. Use the back side, as needed. Miscellaneous comments about any part of this endeavor are most welcome. Thanks!*
