Worship with us this Sunday, February 14

The title of the sermon is *God of the Journey* and is based on Genesis 12:1-6 and Hebrews 11:8-16. Pastor Tim Schrag comments, "Notice the sense of pilgrimage. Is 'being settled' a worthy goal, or a subtle temptation?"

A word about our worship visuals Quilters have named blocks after Bible stories for generations. The Bible was the primary literary resource in many early American homes, providing inspiration for nineteenth century quilters, who mostly used scraps and outgrown or clothing beyond repair to sew covers to keep their loved ones warm. Throughout our True Story study series, a variety of quilt blocks representing Bible stories or themes will be presented.

Children of Israel Originally called "Chosen Children," this block design dates back to colonial New England. There may be only two variations to the pattern itself, but there are more than fifty references to the children of Israel in the Bible. (Gen 48:16)

True Story of the Whole World *Redemption Initiated (Scene 2: Moses and the Exodus)* is Lesson Six of the True Story series. The link to Lesson Six Study Guide is available on the Mennonite Church of Normal website at <http://www.normalmennonite.org/true-story-of-the-whole-world/>. Also available there (under the Education and Nurture tab) are links to all the lessons, lectures and sermons that have been given so far.

Please Take Note

Next Sunday, February 21 Holy Communion will be served. Contributions for the Mutual Aid Fund are specifically sought on Communion Sundays. Resources from this benevolent fund are disbursed by the Pastoral Council in times of discerned need. Simply include your offering clearly marked "Mutual Aid" when the plate is passed or place your offering into the basket for Mutual Aid donations in the Atrium. Your gift will be gratefully received, and carefully distributed.

The Bible teaches that we are to "examine ourselves" in preparation (1 Cor 11:27-29). Our Mennonite forebears took seriously the idea of being fully at peace with God and one's Christian brothers and sisters in order to partake. Let us prepare with similar prayerful reflection and personal examination.

Mennonite Church of Normal Directory 2016 is being prepared. In order to be as accurate as possible, could you please take a minute and look at your entry in the attached document? Please let me know about corrections, edits, additions, subtractions, etc. If there is specific information which I am seeking, you will find it in **RED**. You can reply to this email with corrections. THANKS! *Lynn Reha*

Pastoral Council Letter A letter introducing the 2016 Pastoral Council and describing the three main activities planned for 2016 is attached to the Midweek Connection. A copy has also been placed into each church mailbox.

From MCC Great Lakes

The United States incarcerates more people than any other country in the world. African-American men face a 1 in 3 chance of going to prison in their lifetime, compared to 1 in 17 for white men. Do you want to find out why? Consider participating in *The New Jim Crow* project from Mennonite Central Committee U.S. Designed for small groups and Sunday school classes, the program guides you through the history and implementation of mass incarceration in the U.S. and provides actions and solutions. Materials are provided free of charge. For more information, visit mcc.org/new-jim-crow-project or contact Joshua Russell in the MCC U.S. Washington Office: joshuarussell@mcc.org.
