MIDWEEK CONNECTION AT MCN

May 11, 2016

## Worship with us this Sunday, May 15

The sermon title is *Square Wheels Go Bump* and the Scripture is 2 Corinthians 5:16 - 6:2. Pastor Tim Schrag comments, "The ministry of reconciliation" (II Corinthians 5:18) is what Christ gave us as our 'charge'. That plays well with Mennonites. But let's not forget verse 19 which follows. This is the first (and primary) reconciliation, all else follows."

**True Story of the Whole World** *Return of the King* (Lesson 18) is this week's Adult and Teen Christian Education lesson. The link to *Return of the King* (Lesson 18) Study Guide is available on the Mennonite Church of Normal website at <http://www.normalmennonite.org/true-story-of-the-whole-world/>. Also available there (under the Education and Nurture tab) are links to all the lessons, lectures and sermons that have been given so far.

**Scripture Focus** We begin our worship service with a Scripture Focus each week that comes from the congregational study of the Bible in which we are currently engaged. Each worship service is based on the lesson from the previous week's Sunday School study.

**A Word about our Worship Visuals** Quilters have named blocks after Bible stories for generations. The Bible was the primary literary resource in many early American homes, providing inspiration for nineteenth century quilters, who mostly used scraps and outgrown clothing beyond repair to sew covers to keep their loved ones warm. Throughout our True Story study series, a variety of quilt blocks representing Bible stories or themes will be presented. Here is a description of the visual display for May 15.

*Bright Morning Star - Rev 22:16*

*I, Jesus, have sent my angel to give you this testimony for the churches. I am the Root and the Offspring of David, and the Bright Morning Star. A traditional and simple star pattern, ours in rendered in modern colors.*

## Donations for West African Children

The Hickmans are hoping that in the near future Deb will travel to West Africa to bring their adoptive daughter Blessing home. Deb is able to take along much-needed supplies for the foster children where Blessing lives. Donations of non-gummy children's multivitamins, cloth diapers, new or gently-used children's flip-flops or crocs, and compact, smooth, washable toys (no stuffed animals) can be dropped off at Pastor Matt's office at church. Deb would love to take a suitcase full of supplies!

## Voice of the Day

Three quotes from Daniel Berrigan's 10 Commandments: 1) Call on Jesus when all else fails. Call on Him when all else succeeds (except that never happens). 9) Know that sometimes the only writing material you have is your own blood. 10) Start with the impossible. Proceed calmly towards the improbable. No worry, there are at least five exits. *Daniel Berrigan*

## Justice for Suriname Indigenous People

Meghan Reha writes with this invitation about an issue of justice.

*You know that I spent time in Bangladesh with MCC, but what is less well known is that prior to that, when I lived in Seattle, I was involved with some friends, Dan Peplow and Sarah Augustine, who have been working with indigenous peoples in Suriname to advocate for fundamental human rights and economic justice for the past 12 years. Their program is called the [Suriname Indigenous Health Fund](#), and there is lots more information at the link. I have also included more details in this [letter](#), which is posted on the MCN website.*

*I have been granted a audience, tomorrow, May 12 at 2:30 with Senator Dick Durbin to request his signature on a Senate letter requesting a change in the practice of the Inter-American Development Bank to provide more justice to the Suriname people. I am extending an invitation to anyone from Mennonite Church of Normal to come along for the meeting, and to join me in this advocacy journey, wherever it takes us. The more noise we make, the more likely our Senators are to listen. Contact me at 309-807-7288 to support this cause of justice.*
