MIDWEEK CONNECTION AT MCN

May 18, 2016

## Worship with us this Sunday, May 22

The sermon title is *A Story of Hope* and the Scripture is Romans 8:24-32. Pastor Tim Schrag asks, "Is the glass half full, or half empty, as you survey the world in which we live? Why do you say that?"

**Scripture Focus** We begin our worship service with a Scripture Focus each week that comes from the congregational study of the Bible in which we are currently engaged. Each worship service is based on the lesson from the previous week's Sunday School study.

**A Word about our Worship Visuals** Quilters have named blocks after Bible stories for generations. The Bible was the primary literary resource in many early American homes, providing inspiration for nineteenth century quilters, who mostly used scraps and outgrown clothing beyond repair to sew covers to keep their loved ones warm. Throughout our True Story study series, a variety of quilt blocks representing Bible stories or themes will be presented. Here is a description of the visual display for y 22.

### *Alpha*

*This antique 4-patch block is geometrically fascinating and exquisitely named. Alpha, the first letter of the Greek alphabet, is symbolic of the root of all things. But the name also readily brings to mind the expression "alpha and omega," beginning and end. We have come full circle, from creation out of chaos to a new heaven and earth. Praise be to our Creator, Lord and*

*Savior!*

*- Revelation 22:13*

## **Groundskeeper Needed**

We are in critical need of a person to tend to the grounds around the building. We have one volunteer to take care of the canopy flower beds (thanks, Elfriede), but we have immediate need for someone to tend to the other flower beds. Are you feeling called to this? We would welcome your taking on all or part of this responsibility to help the church grounds look their best. If we have no responses by June 1, we will look to hire someone. Please contact any member of the Financial Stewardship Committee—Doug Ulrich, Rick Yoder, Linda Clemmons, Adam Augspurger or Gail Fisher.

## **Emergency Preparedness**

The McLean County Health Department is conducting a survey to help map where vulnerable individuals live within McLean County. This information is crucial in their planning for relief and aid during disaster and emergency situations. The Wellness Committee strongly encourages your participation in this quick survey, to better ensure all people can access care during an emergency. The survey can be found at <https://www.surveymonkey.com/r/MCHDFNMapping> or paper copies are available on the Entrance Table and can be returned to Leah Roeschley's mailbox.

## **Kitchen Items**

Several clear plastic pitchers are missing from the kitchen. Also, two roasters have been misplaced. If you have information about the disappearance of these items, please contact Pastor Matt Hickman.

## Food Forest

A new Food Forest is opening this Saturday, May 21st, on Bloomington's far west side, to serve this under-served area. Location: West end of W. Illinois St. in Bloomington, 2 blocks west of the Boys and Girls Club at 1615 Illinois Street. Bring rakes and shovels anytime from 9 a.m. to 12 p.m. to help set up raised beds and plant berry bushes and vegetables. For more details: Facebook: West Bloomington Active Garden

## Partners in Healing

Mennonite Church of Normal joins with other churches in the area to pray for various sections of Advocate Bro Menn Medical Center and Advocate Eureka Hospital. This month MCN is asked to pray for the Surgical Unit at Advocate BroMenn.

Please call the church office if you or someone in your family is hospitalized. Due to HIPAA regulations, persons may be hospitalized for several days before your pastors are aware of a need for pastoral care.

## Today's Weighty Chuckle

My goal for 2016 was to lose just 10 pounds. Only 15 to go.

I don't mean to brag but.....I finished my 14-day diet in 3 hours and 20 minutes.

A recent study has found that women who carry a little extra weight live longer than men who mention it.
