

MIDWEEK CONNECTION AT MCN

October 24, 2018

Worship with Us this Sunday, October 28

The sermon title is *Wheat Planting Time* and the Scripture is John 12:23-28. Pastor Tim Schrag comments, "The image Jesus offers of death/resurrection is an agricultural one, of wheat dying and thus 'bearing fruit'. In what ways does 'dying to self' have meaning for you?"

Still Thinking about the Matthew 25 Challenge?

It's not too late to sign up to sponsor a child! There is information in your mailbox that can be returned to the church office, or stop by the office to select the specific child you would like to sponsor. As a sponsor, you'll help enable children to enjoy good health, education, spiritual nurture, and protection. You'll discover the joy of helping families and community leaders build a healthy environment where kids can grow, thrive, and reach their God-given potential.

TheMennonite

Mennonite Publications Survey

Through the proposed merger of The Mennonite, Inc. (TMI) and Mennonite World Review (MWR), Mennonite Church USA will lose its official media platform (both print and digital) dedicated to MC USA voices and news. The merged organization will function as an independent editorial voice serving a variety of Anabaptist communities including MC USA, but without organizational ties to any particular Anabaptist denomination.

Read more background information and Frequently Asked Questions here: <http://mennoniteusa.org/wp-content/uploads/2018/10/Merger-FAQ--Final.pdf>

Through this survey, the Executive Board and staff are seeking input from the broader church as we navigate the merger process and discern our communication needs moving forward. Please complete the survey at the following link no later than **October 29**.

Today's Chuckle

We were camping with our granddaughters 5- and 3-years-old at a state park and hiking on one of the trails.

The 5-year-old asked for a walking stick, so I found a limb on the ground and trimmed off the little stems and such. Hiking a little further and thinking the 3-year-old would want one also, I found another limb on the ground that fit her size and trimmed it down and gave it to her.

After about ten steps of so, she slings the stick out into the woods and states, "I don't need this, I'm not Moses."
