A Season of Listening Prayer and Reflection RESPONSE FORM

Throughout the Season of Listening Prayer, we have been encouraged to listen to God in prayer. This Response Form is the way for every voice to contribute.

On the other side, please share your response to the following two questions based on what you have been hearing from God in prayer.

Bring this Response to worship on June 30, when they will be collected as an offering to God. Or you may return it to the church office (due July 15) or send it by email to the church office.

1. What has God laid on your heart in this season of listening, concerning the Mennonite Church of Normal, and LGBTQIA+ people who are (or desire to be) a part of the life of this congregation?
2. What has God laid on your heart in this season of listening, concerning yourself, and LGBTQIA+ people who are (or desire to be) a part of the life of this congregation?

Signature welcome (not required) _____
