

# THE MIDWEEK UPDATE

## A Note from the Vision Team

AT MCN

- The Vision Team discussed the Pastoral Team portfolios (e.g. Team Leader, Preaching, and Youth Ministry) and how those responsibilities would be assigned with the Interim Pastoral Team now in place. The portfolios will not necessarily be the exclusive responsibility of the Interim Pastoral Team.
- Lauren Satchwell accepted an invitation from the Vision Team to be the Interim Pastoral Team Leader.
- More details on the other Portfolio responsibilities to come.
- An Exit Covenant was developed between the Vision Team and Pastor Gary. This document helps to define the future relationship between Pastor Gary and MCN. A copy of the Exit Covenant can be viewed [here](#).
- Ask the church office to view the Vision Team meeting minutes and resource documents in the Vision Team folder on Google Drive.

# Pastoral Team Search Committee

AT MCN

---

Are you ready to start the search for a pastoral team? First, you have homework! Before Central District Conference will even post our pastoral vacancies, we must submit information about the church including what *YOU* want in a pastor. Please fill out the checklist (it won't take long) that is linked below. You may download it, fill it out electronically, and email it back to Marcia Rossi. Or you may download it, print it, fill it out, and bring it to the building this Sunday morning, Oct 3rd.

Ask the church office for the checklist.

Thank you.
